

## iConnect Communications Assessment

## EQ-i 2.0 Emotional Intelligence Assessment

# DISCOVERY COACHING EXPERIENCE

**Experience what it's like to work with a professional leadership coach to maximize your communication and emotional intelligence skills.**

Becoming exceptional requires a blend of honed skills, a deep reservoir of knowledge, and practical, real-world application. Within this coaching experience, your dedicated leadership coach quick starts your development journey by unraveling the invaluable insights and takeaways derived from the two assessments.

### Program Overview:

- 1 iConnect Communications Assessment & Feedback Report**  
Effective communication is essential for managing relationships with your staff, customers, stakeholders and is highly correlated with being an effective leader. Gain insight into how you prefer to communicate, how others perceive your communication, and how you communicate and lead under pressure.
- 2 EQ-i 2.0 Emotional Intelligence Assessment & Feedback Report**  
The Emotional Quotient Inventory is the world's leading measure of emotional intelligence. The fifteen competencies in the scientifically validated EQ-i 2.0 model are highly correlated with inspirational leadership, innovative work cultures, highly-effective teams, and engaged and committed talent.
- 3 One-on-One Leadership Coach Debrief**  
Once the assessments are completed, participants will engage with their leadership coach for a two-hour virtual coaching session.

**Once finished we invite you to continue working with your coach on a 4-month or 6-month coaching experience.**

### What's included:

two online assessments, full digital reports, and a two-hour virtual coaching session
